

VENTE NEUF

PRIVILEGE 615

PRIX SUR DEMANDE

## DESCRIPTION

---

“UKIYO” an outstanding example of the Privilege 615 is for sale. She is #14 of the sought after Privilege 615 series by Alliaura Marine. The Privilege 615 is a blue water capable catamaran, providing every comfort necessary on board while retaining good sailing performance. Upon purchase in 2020, UKIYO's owner undertook an extensive refit and modernisation of many systems such as the replacement of the engines with newer and more efficient models as well as replacing the AGM batteries for lithium-ion. Other major items include painting of the hull and mast, new sails, new standing rigging, new teak as required and the addition of a second generator. A more detailed list can be found in the following pages. Since her refit, she has been used exclusively in the Mediterranean, only by the owner's family and close friends with fulltime crew on board at all times. The owner's programme is now concluded and UKIYO is available for purchase.
