Vismara Nove 63'

1 950 000 € TTC

DESCRIPTION

NOVE is a one-of-a-kind 63-foot wooden and carbon yacht that blends timeless tradition with refined engineering. Built from red cedar and carbon, she embodies the best of Italian craftsmanship — a collaboration with designer Alessandro Vismara and Officine Alto Adriatico under the guidance of Giorgio Ferluga, a master shipwright in the Sciarrelli tradition.

Designed for sailors who value simplicity, beauty, and the quiet joy of being at sea, NOVE features a safe, responsive hull with a displacement of 25 tons. Her layout includes three private cabins, a distinctive deckhouse, and effortless handling by just two people. More than a yacht, NOVE is a sailing home — warm, intimate, and built to travel. She is a rare expression of soul, craftsmanship, and vision, ready for her next chapter.
